_____

In the 11-minute clip, which featured an acoustic performance of "Somewhere Over the Rainbow, " the folk music star spoke about meeting Hsieh on Richard Branson's Necker Island and how she was "riveted" by his spirit.

"Tony was very fearless, " Jewel said. "I remember he asked me what my definition of success. I can't remember what my answer was, but I remember his. His answer was: the willingness to lose it all, believing in an idea so much that you're just willing to be wrong. "

"That really is a beautiful definition, and that really is how I think of Tony • very brave, " she added. may have ruled out running for Texas governor in the near future, but that doesn•t mean he•s stepping away from politics completely. In a recent episode of Under the Skin, the podcast fronted by British comedian and activist Russell Brand, McConaughey spoke out about political divisiveness and the need to •meet in the middle. • Like Brand, he also criticized Hollywood figures and those on the •far left• who he says antagonize and belittle those with other beliefs.

•Oh, they•re dumb, they•re voting for Brexit, they•re voting for Trump, •• Brand said of the •condemnation and criticism of ordinary working people• he sees among his celebrity peers. •I don•t like it, and I don•t like to hear it. •

•There•s a lot on that illiberal left that absolutely condescend, patronize and are arrogant towards the other 50 percent, • the Oscar winner agreed.
