<font size=3>Melania Trump﹐s Tuesday night speech</font><br/><font size=-3>Posted by alisawhite123 - 2020/08/26 14:42</font><br/><font size=-3>_____</font><br/><font size=-1><br/>First lady Melania Trump delivered one of the longest and most personal speeches of her career Tuesday night, using her keynote address to strike a personal note and deviate from the Republican National Convention﹐s more partisan attacks. <br/> <br/>Among other things, she spoke freely about her immigration from Slovenia, a small country that split from Yugoslavia in the early 1990s. <br/> <br/>﹐Growing up as a young child in Slovenia, which was under communist rule at the time, I always heard about an amazing place called America, a place that stands for freedom and opportunity, ﹐ Trump said, speaking from the recently renovated White House Rose Garden with her husband in the audience. <br/> <br/>"As an immigrant and a very independent woman, I understand what a privilege it is to live here and to enjoy the freedoms and opportunities that we have, ﹐ she added. <br/> <br/>The soft rhetoric about immigration marked the end point of a day in which Republicans painted a more moderate stance on the issue than President Trump has embraced while in office. Earlier Tuesday, the GOP convention featured a naturalization ceremony personally hosted by Trump, whose policies have significantly reduced both illegal and legal immigration. As a candidate and as president, Trump has frequently used caustic rhetoric to describe immigrants and their motives for coming to the U. S. <br/> <br/> <br/> <br/> <br/> <br/> <br/> <br/> <br/> <br/> <br/> smokingusacigarettes.com]Online Cigarettes Store USA</font><br/><font size=-3><br/>==========<br/><br/></font><br/>
