But the McCains have until now stopped short of endorsing Trump's rivals. <br/>

Cindy McCain cited the decadeslong friendship between her family and Biden's and their bond as the parents of children serving in the military. <br/> <br/> <br/> <br/> <br/> <br/> <br/> supports the troops and knows what it means for someone who has served, McCain said in a phone interview. Not only to love someone who has served, but understands what it means to send a child into combat. We ve been great friends for many years, but we have a common thread in that we are Blue Star families. • <br/> <br/>br/> <br/> McCain's backing could help Biden appeal to Republicans disaffected with the GOP president and give the former vice president a boost in Arizona, a crucial swing state that McCain represented in Congress for 35 years. He's remained a revered figure since his 2018 death from complications of a brain tumor, particularly with the independent voters whom Biden is courting. <br/> <b hopefully other people will see the same thing. Other women particularly, " McCain said. \*You may have to step out of your comfort zone a little bit, but Biden is by far the best candidate in the race. " <br/> <br/> <br/> McCain said she hasn't voted for a Democrat since she was 18 and followed the lead of her parents. She remains a registered Republican and has no plans to change, she said. <br/> <br/>cigarettesusaonline.com]Online Cigarettes Store USA</font><br/>>cfont =========<br/><br/></font><br/>
