 India famous mother helped blow the lid off NXIVM by going public in 2017 as she fought to saves her daughter.

 was scared to death but it didn't matter if I was scared, * Catherine told the magazine. *I knew what I was up against. I knew nobody had dared to do what I was doing because this cult had financially ruined them. <a>

 India added, <a> can't describe in words how grateful I am for that. Because the truth is, I didn't see a future for myself when I was there. I was really kind of committed to being there forever, indefinitely. \$
