Wall painting F 17:08 </font 	Posted by kata55 - 2017/01/21 I have a
cat in my house but he likes to scratch my things. I me have some idea? size=-3> ====================================	scared about my walls. Do you
======== size=-3>Posted by micheala - 2017/01/21 17:34 size=-3>	Re:Wall painting <font< td=""></font<>
use something hard as cover for lower parts of walls but it would be better if you ask someone who repair walls. I heard that goodservice.ca repaints walls in Toronto so maybe they know some solution for your problem. I would ask them about harden the paiting walls.
