While I understand the concerns of protecting donors and parents...the affect on the children wasn't much thought of. I read the history you posted, and related to how it felt to discover my history in my thirties, in the middle of a family crisis. There seemed to be so much shame attached to the necessity of using DI. <br/> <br/>As with adoption, it is a matter of how it is dealt with in the family that affects the emotional security of the child. The sense that something is shameful is unfortunate. <br/> <br/>Wanting to know where you come from is natural. It affects one's sense of place in the world. I have always felt just a little lost not knowing, there is a great mystery to my life, which will never be solved. Born in the 50s, there were no records, no information, no choices. <br/>Yes, I consider my father who raised me to be my father, but it was a shock to discover I had biological roots elsewhere. <br/> <br/>I hope to see this film. There is not much out there regarding this matter, and it helps to hear about other experiences. I am quite happy to know that DI laws are different now, that children have the choice to know their biological roots. I also think that it is important for donors to understand that it is not just a shot of sperm they are donating, but a life, who will someday grow up and wonder just who their father is. <br/> <br/>Yes, in the trailer the kids are talking about toes and eyebrows...and that may seem trivial to some...but really it's about a sense of belonging, a sense of connection. <br/> <br/>That donors could/can donate so frequently, and without records is cause for question.</font><br/><font size=-3>=====-----=====-----<br/><br/></font><br/><font size=3>2000 ??????? ??? ??????? ????<br/>?????</font><br/><font size=-3>Posted by RalphTuh - 2017/12/08 11:16</font><br/><font size=-3>\_\_\_\_\_</font><br/><font size=-1><br/>◆?????? 2000◆ ◆ 2000 ??????? ??? ??????? ??? ??????? ? ? ??????? ?? ??????? ??? ??????? ??????? ?????????????!! <br/> <br/>?????? ??? ??????? ??????? ??? ??????? -<br/><a href="https://daring2000.ru/product-category/%D0%BA%D0%BE%D0%B2%D1%80%D0%B8%D0%BA%D0%B8-%D0%B4%D0%BB%D1%8F-%D0%B2%D0%B0%D0%BD%D0%BD%D0%BE%D0%B9-%D0%BA%D0%BE%D0%BC%D0%BD%D0%B0%D1%82%D1%8B/"></a><br/><font size=-3>=====-----=====-----<br/><br/></font><br/>
