ping g30 graphite irons "The members have spoken; this is what they wanted done • now we can move on," said Damato, a member since 1998. "I'm glad it's behind us. It was stressful for everybody. We can all look forward to the wonderful things that will be happening."

ping g30 steel irons Wield posted a notice about the stolen basket on Facebook Sunday morning and word quickly spread, including on Sheboygan Press Media's website on Facebook on Wednesday after a story was published online and in print.

ping g30 driver 9 regular •One of the things I have been criticized for privately in PGA circles is my propensity to being with the media,• Bishop said. •Since Day 1 with the anchoring situation, because of (CEO) Pete Bevacqua•s former relationship with the U.S. Golf Association I took the lead. Right out of the box now the president of the PGA is the most visible spokesperson and that sort of set the stage for the role that I played.•

ping g30 driver 10.5 regular "We've reached over 4,000 people on Facebook about this," Wield said. "I don't know if that's going to go anywhere or help. We're just trying to get the word out, if anybody knows anything. Somebody knows something."
