_____

If you think about cleaning that walls because you only destroy your walls. Better call http://goodservice.ca/ and tell them that you have &#65533;shadows&#65533; on your walls and they come to you and repaint that walls and it&#65533;ll look like new. Ask them about &#65533;water-resisting&#65533; paint so, you could clean easly your walls in the future.
