Beautiful Raga, High Tech Tissot and Designer Armani Watches

In spite of having mobile phones with the time display on the monitor, people still retain the craze on wearing watches. The wrist watch is the undeniable fashion accessory that enhances and reflects the personality of the wearer.

Added to this, watch manufacturers nowadays are introducing very innovative and irresistible pieces so people are proud to have these watches from site like www.donysterling.com www.donysterling.co.uk www.glitzstorm.com . Raga collection of watches from Titan are truly meant as a status symbol. These watches are designed for women by the Top most watch manufacturers of the world. Watches from Titan Raga are a perfect fit for the modern women that successfully combines sensuality with elegance. These watches range from 1495 rupees to 25,495 rupees. Titan Raga collections are made with delicate and beautiful designs, as fresh and sensuous as the brand ambassador Katrina Kaif. While Titan raga are the perfect wedding gift for the bride, Watches from Tissot are the ideal presentations for the corporate elites. Tissot products are very modern and stylish with cutting edge technology. They are from Le Locle, Switzerland with branches in more than 150 countries. They have 160 years service in the field of watch making. Tissot are the pioneers for many innovative designs and concepts in watches. From the very first innovation of two time zones in 1853 to the recent innovation of touch screen technology, Tissot timepieces are the real revolutionary pieces in the fashion world. One of the popular Tissot collections is the T-Touch watch for men. It is an example of high technology with the stainless steel watch band and watch case and the sapphire crystal movement. Just a slight touch is enough to bring into life alarm, compass, barometer, altimeter, chronograph and thermo - the six essential functions of the watch into surface. Apart from all these functions, these watches are water and shockproof resistant. Tissot are the most functional watches with the perfect blend of style and fashion. Some popular models of watches from Tissot are Carson, Heritage Classic, Trend Flower and T-Touch. In the world of expensive watches Armani collections are the best which stuns the people with their breathtaking elegance, style and magnificence. The Italian designer Giorgio Armani has created many designer watches that suit for daywear and nightwear. Among them, AR5328 has stainless steel case with champagne dial and leather strap. The time is shown with three hand movement, two time zones and one date. Emporio Armani is another popular model for men that comes with beige two level dial, leather strap and brown faux croco. For the women, Armani AR3140 display Roman numeral hour markers with two hand movement. They have pearl dial and clear diamonds. Online shopping malls have wide range of designer watches, expensive watches and beautiful, intricately designed watches catering to all sorts of people.
