_____

titleist drivers australia While I do think the future of golf is in a tour that keeps its distribution closer to its production (i.e. PGA Tour Live), I don't think that day is today. And I'm not sure if it will ever be able to fully break from the big boy networks. It will be interesting to monitor, though, and clearly there is something happening.

titleist 915 driver australia At least, the team could still take solace in the fact it would make just its third playoff appearance in 17 years -- and that's what head coach Jim Caldwell was focused on when he met with the media on Tuesday. Check out this quote from the Detroit Free Press:

titleist 915 d2 driver australia It is set inside Akoya, a massive housing development of 2,600 villas and 7,000 apartments developed by Dubai-based luxury real estate DAMAC Properties. Another Trump-managed golf course is planned for another even larger DAMAC project under development further down the road.

titleist 915 d2 driver price That could raise concerns about the so-called "emoluments clause" of the U.S. constitution, which bars public officials from accepting gifts or payments from foreign governments and companies controlled by them without the consent of Congress.
