Newport Cigarettes

Posted by ylq - 2020/09/08 08:22

_____

What I love the most is the moment I tear open the package, pull the plastic seal Newport Cigarettes, and open the cigarette box. The design is more elegant, the striped painting and the cigarette case complement each other., The details are well controlled. Pull out the cigarette, the filter looks quite delicate, the color of the filter tip is paper, and there is a circle pattern printed on the top. The connection between the filter tip and the cigarette is a
